The screenshot shows a web browser window displaying a portal page. The header bar includes the IBM logo and the title "pyme1". Below the header, a navigation bar has tabs for "Titulo" and "Pyme1 (Contextual)". The main content area contains a banner with the text "Pyme es lo mejor" followed by a red 'X'. A descriptive paragraph below the banner states: "Aquí mostramos la trayectoria de Pyme1 como una de las mejores empresas de la ciudad." The background of the page features a blue sky with white clouds.

The image shows two screenshots of the IBM WebSphere Portal interface. The top screenshot displays a page titled 'pyme1' with a contextual menu for 'Pyme1'. The page content includes a text area with the word 'ciudad' and a font size dropdown menu showing options 26, 22, 24, 26, 28, and 30. The bottom screenshot shows another page with a banner section containing the text 'ciudad'. A modal dialog box titled 'Image:' is open over the banner, showing a preview of a beach scene and file management options for 'P0.png' (Removed: playa.jpg). Buttons for Upload, Remove, and Restore are visible, along with sections for Image Attributes and Renditions.
